

## **CRUISE CONNECTIONS CANADA**

## CREDIT CARD AUTHORIZATION

For your protection, each time you authorize us to charge an amount to your credit card, we require you to complete and sign this form indicating your approval to debit your card with the amount authorized. This way any errors in charges made by the cruise line can be easily rectified. If you prefer to pay by personal cheque, we will arrange for a courier pick up from your home or place of business at no charge.

**PLEASE NOTE:** Due to the fact that we pre-purchase blocks of cabins, in some cases your payments may be split between the Cruise Line and Cruise Connections Canada. **These are** *not* **duplicate charges**, but rather they will total the amount authorized above. If for any reason these charges exceed the total amount on your Confirmation from Cruise Connections Canada, please call us immediately.

Please be advised that this signed original credit card authorization form must be received by us in order to release your cruise documents.
