Journey to Jordan: Iconic Ruins of Petra and Wadi Rum & Overnight Glamping Adventure

Duration: 3 Days / 2 nights

Meals: Some

Day 1 - Thursday, August 26, 2021

Arrive in Jordan and transfer to the hotel (TBA) and check-in. Remainder of day at leisure and dinner on your own.

Day 2 - Friday, August 27, 2021

Following breakfast in the hotel, make the drive to Petra. On arrival, take part in a guided tour of this ancient marvel. The UNESCO World Heritage Site is often referred to as the Rose Red city due to the hue of the rocks here, and was once the capital for the Nabataean Arabs. The city thrived until a major earthquake in 363 AD and that, coupled with changing trade routes, led to its eventual downfall and abandonment. While here, view the iconic Treasury and enjoy lunch at the Basin Restaurant located within the site.

In the late afternoon, you will transfer to the Seven Wonders Luxury Camp for check-in and have the remainder of the afternoon to relax before dinner. Afterwards, relax by the fireside under a canopy of desert stars as you share stories with your fellow travelers and then retire for the evening to your well-appointed luxury tent.

Day 3 - Saturday, August 28, 2021

Your day starts with an early breakfast at the camp and after check-out, make the drive to Wadi Rum. The landscape here is nothing short of striking, with towering sandstone cliffs and miles of sweeping red sand dunes which have led to it being tagged for being similar to the landscape on Mars. Within the site stone age petroglyphs have been uncovered and offer up a glimpse into the area's earliest beginnings. Nomadic Bedouin tribes still make their home here and it continues as a main stopping point on a migratory path through the desert. After touring the site and having lunch, you will transfer from Wadi Rum to the Allenby/King Hussein Bridge where you will be processed and proceed into Israel. En route to Haifa, a lunch of boxed sandwiches will be served on the coach.

After arrival in Haifa, you will transfer directly to the port where you will embark the ship.

Special Note: This tour includes a significant amount of moderate to strenuous walking/standing that includes numerous steps and uneven surfaces. The tour is not available to wheelchair guests and is not considered suitable for those with walking difficulties or other health concerns. Guests should be in reasonably good physical condition. We recommend wearing weather appropriate comfortable clothing; flat walking shoes; a sun cap; sunglasses and sunscreen.
