NAP-008 MINTURNO ROMAN THEATER AND VILLA MATILDE VINEYARD

Duration: 5.25 Hrs **Tour Price: CA\$143.00** **Retail Price: CA\$339.00**

Date: March 27, 2022 08:15 AM

Wander among the remains of a once-flourishing Roman settlement at Minturno and savor a selection of local wines at a nearby vineyard. Enjoy a picturesque drive to Minturno, a settlement first mentioned in Roman documents from 340 BC. You'll see several impressive Roman structures, including archways, a forum and a restored amphitheater seating more than 4,500 spectators that is still used for performances. Learn that the Emperor Tiberius possibly added Minturno's aqueduct, which brought water from a mountain nearly seven miles away. You'll view highlights including well-preserved sections of the 5th-century Appian Way, which connected Minturno and countless other cities to Rome and probably gave rise to the expression "all roads lead to Rome." Travel to Villa Matilde, one of the region's premier wine producers, where traditional and ecologically responsible methods are employed, such as solar panels, recycled water, bio-diesel machinery and the planting of trees to increase oxygen emission. During your tasting, you may sample a crisp and complex Greco di Tufo, a deep-red Falerno del Massico or a cherry-red Terre Cerase aperitif wine, which pairs particularly well with buffalo mozzarella, one of the accompaniments you can expect to be served during this gastronomic tour de force.

- Explore the superb Roman ruins of Minturno, which connected to Rome via the legendary Appian Way.
- Walk through the forum, still-standing archways and a wonderfully restored amphitheater.
- Visit the acclaimed Villa Matilde estate, where wine is crafted using both traditional and ecologically sound techniques.
- Taste wines such as a ruby-red Falerno del Massico and a refreshing Greco di Tufo white.
- Relish regional accompaniments that might include buffalo mozzarella, a perfect partner for a Terre Cerase aperitif wine.
- Wear casual, weather-appropriate clothing and comfortable walking shoes.
- Bring a hat, sunglasses and sunscreen.

This tour includes approximately 3 hours of walking. It is not available to guests who utilize a wheelchair. Those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina.

NAP-005 HISTORIC HERCULANEUM

Duration: 3.50 Hrs **Tour Price: CA\$0.00** **Retail Price: CA\$195.00**

Date: March 27, 2022 08:45 AM

Delve into the remains of Herculaneum, a UNESCO World Heritage site that, much like Pompeii, fell victim to Mount Vesuvius' reverberating AD 79 eruption, on this engaging tour that also takes you to a local craft center. You'll learn that Herculaneum's fate didn't quite mirror Pompeii's, since Pompeii was buried in hot volcanic ash that burned everything combustible, whereas Herculaneum was covered by scorching mud that serendipitously preserved the village and prevented looting throughout the centuries. In addition, you'll hear many of the citizens had already departed Herculaneum due to an earthquake that preceded the volcanic eruption by several years, so this city has none of the eerie body casts seen in Pompeii. During your guided tour, you might see upper-class Roman villas overlooking the sea, original statuary, inlaid marble floors, intricate wall mosaics and even carbonized wood artifacts that survived the horrific devastation, all of which provide an astonishing snapshot of life nearly 2,000 years ago. Cap off your illuminating outing with a visit to a craft center, proof that even Vesuvius' destructive outburst couldn't prevent this vibrant corner of Italy from flourishing.

- Tour the eye-opening ruins of Roman-era Herculaneum, a UNESCO World Heritage site.
- See nearly intact buildings interred for centuries by a flow of scalding mud triggered by Mount Vesuvius' AD 79 eruption.
- Examine statues, inlaid marble floors, ornate mosaics and wooden items carbonized by the extreme heat.
- Shop for local crafts at a center where artisans proudly display their wares.
- Wear casual, weather-appropriate clothing and comfortable walking shoes.
- Bring a hat, sunglasses and sunscreen.

This tour includes approximately 3 hours of walking. It is not available to guests who utilize a wheelchair. Those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina.

NAP-1AC ANNIVERSARY EXCLUSIVE: NAPLES EXPLORING ABOVE &

Duration: 4.50 Hrs Tour Price: CA\$0.00

Retail Price: CA\$130.00

Date: March 27, 2022 08:45 AM

See Naples' architectural landmarks and largest, most popular piazza before heading underground to explore a tunnel conceived as a royal escape route. After walking from the pier, you will soon arrive at the imposing Castle Nuovo. While parts of it date to the 13th century, it is still known as the new castle to distinguish it from the famed Egg Castle, which began as a 1st-century Roman villa. Castle Nuovo's five towers make it one of Naples' most recognizable landmarks. Then, it's on to Piazza Plebiscito, the city's largest and most vibrant pedestrian square. Four Bourbon royal residences overlook the piazza, including pink-hued Palazzo Reale, which now holds a 30-room museum. During free time, you might wander about piazza, browse the shops or simply relax while taking in the scenery. As memorable as the sights are above the ground, Naples also features a stunning attraction below the surface—the Bourbon Tunnel. Begun in 1853 as an escape route for royalty, the cavernous tunnel was never finished and became part of an aqueduct system. As you will discover while in the depths of the tunnel, it was also used as an air raid shelter during World War II. Returning to the surface, you will catch sight of the seaside Egg Castle while walking to a popular restaurant for lunch. It's only natural that Pizza Margherita will be served, as it was supposedly invented in Naples to honor the visiting Queen Margherita of Savoy. After dining, you will return to the pier. Please note: This tour includes approximately 3 hours of moderate walking/standing. It is not recommended for guests who utilize a wheelchair. Those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina. Casual, weather-appropriate clothing and comfortable, flat walking shoes are suggested.

Date: March 28, 2022 08:30 AM, 09:00 AM, 09:15 AM

Step back in time at a typical Sicilian town perched high atop a mountain overlooking Trapani and the glittering azure Mediterranean Sea. Enjoy a leisurely drive through the picturesque Sicilian countryside to Erice, a perfectly preserved historic hilltop town that offers incredible panoramic views of the surrounding region and the archipelago of Egadi. You'll learn that the town gets its name from Venere Ericina, the goddess of fertility, and that legend says it was here, almost ten centuries ago, that the son of Venus and Poseidon established a settlement and built a temple to honor his mother, the goddess of love. Stroll the narrow cobblestone streets of the storied town center and appreciate the magical ambience found in its well-maintained, age-old buildings, hidden courtyards filled with colorful flowers and small handicraft shops. You'll also view the 12th-century Il Duomo church, originally built as a fortress, the Norman Venus Castle, built on top of the ancient Temple of Venus, and the adjacent Balio Gardens. After departing from the pier, you will settle in for a spectacularly scenic drive north, pausing along the way for photos of seaside Port d'Addaia and lovely Arenal d'en Castell. Both towns are revered for their naturally beautiful settings, fine marinas and wide beaches. Not far away, you will find Fornells, a traditional fishing village on the north shore of Menorca. The village of meticulously preserved whitewashed buildings revolves around the sea and has become a favorite destination for sailors, windsurfers and divers. Historical attractions include a church dedicated to Saint Antoni and the ruins of several fortresses. The interior of Menorca is just as impressive, as you will discover on the way to Es Mercadal, another atmospheric whitewashed village. Its backdrop is El Toro, the island's highest point and supposedly its spiritual center. The mountain has been a pilgrimage site since the 13th century and a small church and sanctuary now sit atop the summit. After relaxing over a beverage and pastry at a bakery in Es Mercadal, you will continue south to Son Bou, the island's largest beach. Glory in Palma de Mallorca's superlative La Seu cathedral and taste a selection of wines at an esteemed estate that has been operating for over 300 years. Relax during a brief but enlightening drive through Palma, a city whose diverse architecture reflects the influence of its many conquerors, and pause to explore La Seu, the city's spectacular Gothic cathedral. You'll delight in the beautiful golden sandstone exterior, the remarkable flying buttresses, the enormous rose window and the wrought-iron canopy over the main altar, which was designed by idiosyncratic Catalan architect Antonio Gaudí. Travel inland to the village of Consell and reach Bodega Ribas, a venerable winery dating to 1711 whose captivating history will be shared with you during a tour of the estate. Learn how the unique terroir influences the grapes and see unusual varieties such as manto negro, prensal and nearly-extinct gargollasa in the vineyards. Sit for a timely wine tasting, during which you may sample a complex red blend called Ribas de Cabrera, a Ribas Blanc with a white fruit nose and Sió 300, an expressive red named for the winery's 300th anniversary, a palate-pleasing finale to a most rewarding day of discovery.
