INTRODUCTION

We have customized this document and identify each step accordingly, just for this voyage.

The following guide is designed to assist you with completing the Passenger Locator Form (PLF), which travelers coming to Greece from abroad by aircraft must complete as required by the Greek government.

Once successfully completed, travelers will receive the PLF with their unique QuickResponse (QR) code via email (the QR code will be provided in a link in the email).

IMPORTANT INFORMATION

All travelers must complete their PLF before entering Greece, providing detailed information on their point of departure, the duration of previous stays in other countries, and the address of their stay while in Greece.

In case of multiple stays, they are required to provide the address for the first 24 hours at least.

One PLF should be submitted per family.

You will complete this process for the lead passenger and towards the end, have an opportunity to add any Companion/Family travelling with you.

The PLF can also be found on the Visit Greece app and at <https://travel.gov.gr/#/>. It is strongly recommended that all visitors download the Visit Greece app (GDPR compliant) for free, prior their arrival in Greece.
