HORIZON LOUNGE

An ideal destination for classic cocktails or to simply relax and engage in conversation with new friends. Resident musicians play familiar tunes throughout the day as well as before and after dinner, making it ideal for informal plans. Game shows, night entertainment and live musical events are featured regularly.

Entertainment, Bars & Lounges

MARINER LOUNGE

Perfect venue to meet new friends for a pre-dinner cocktail. As the night progresses, the spectacularly designed space turns into a nightclub where night owls gather to dance into the night or maybe sing along in a karaoke competition. Musicians entertain nightly, and during the late hours on selected nights, a DJ spins records and takes requests.

Entertainment, Bars & Lounges

OBSERVATION LOUNGE

A chic yet comfortable space to read, relax and enjoy a cocktail while admiring the spectacular views offered every time Seven Seas Mariner® enters and leaves one of its worldwide ports of call. Live music is played throughout the day, making this another inviting onboard destination to unwind with afternoon tea, pre-dinner cocktails or a satisfying nightcap.

Entertainment, Bars & Lounges

STARS LOUNGE

High-backed velvet chairs and a shimmering bar are highlights of this popular spot for after-dinner drinks and late-night cocktails, but it's a glistening stairwell to the upstairs Casino that gives Stars Lounge a certain throwback appeal. A long-time guest favourite, this arty lounge has a circular dance floor that beckons night owls to dance into the wee hours or partake in karaoke competitions.

Entertainment, Bars & Lounges

CONSTELLATION THEATER

Smartly tiered for pleasing sightlines and decked out with delightfully plush seating, the Constellation Theater is an intimate venue without a bad seat in the house. Settle in, admire the grand surroundings, and be prepared to witness phenomenal performances that vary from full-scale musical revues to rousing sing-alongs, all backed by their incredible, five-piece Regent Signature Orchestra.

Entertainment, Bars & Lounges

CONNOISSEUR CLUB

The stylish Casino is open every day at sea when not restricted by territorial border limits.

Exclusive Shore Excursions

Town, Country & Tequila with Lunch **Thurs, Oct 6 | 4.5 Hours | 11:30 am**

Explore Puerto Vallarta's downtown and surrounding countryside with a delightful stop at a tequila factory in between.

The tour begins at Marina Vallarta, an affluent residential area and marina that caters to the many boaters that the Bay of Banderas attracts.

A bit inland, you will find Hacienda Doña Engracia, a country estate that produces premium tequilas. After being treated to an in-depth look at the tequila-making process, you will sample several varieties that may include silver tequila, an earthy reposado tequila and an añejo tequila with caramel and bitter chocolate flavors.

Following free time to tour the grounds, you will return to Puerto Vallarta to explore the seafront on your own. You might visit the Church of Our Lady of Guadalupe, stroll the malecón and shop along the cobblestone streets. Appreciate the diversity of Puerto Vallarta, both inland and along the seafront. Pause for photos at an upscale residential community for boaters. Sample a selection of tequilas at a country estate that produces the iconic spirit. Enjoy free time in Puerto Vallarta to shop and visit attractions of interest.

This tour includes minimal walking over mostly even surfaces and mainly at the guests' discretion. The tour is available to guests who utilize a wheelchair, are able to make their way on and off the coach, and are accompanied by a companion who can assist them.

Exclusive Shore Excursions

VIP Wine Tasting with Gourmet Lunch
Mon, Oct 10 | 3.5 Hours | 12:00 Noon

Finca Tree Winery | Lunch at Matilde Restaurant

Enjoy an inspired wine tasting and gourmet lunch at a winery restaurant in the Guadalupe Valley, a fertile area known as the Napa of Mexico, in part because the vast majority of Mexico's wines are produced there.

During the drive inland, you will notice the terrain becoming hillier with an abundance of sprawling farms and idyllic valleys such as Guadalupe. Its microclimate is similar to that in the Mediterranean as the summers are relatively cool with constant ocean breezes.

Red wine grapes in particular flourish there, and over the past three decades or so, more than 150 wineries have become established along the valley's wine route. Your introduction to one of the premier wineries will begin with an enlightening, behind-the-scenes tour.

Afterwards, you will sample a wide selection of characteristic wines that beautifully represent the Guadalupe Valley. They will be paired with cheeses, chocolates and marmalades, which will perfectly complement the fabulous 3-course lunch that follows.
