YOUR HEALTH AND SAFETY

Given the relaxation of global protocols and travel requirements, Norwegian Cruise Line has updated their health protocols to welcome all guests to sail with them, regardless of vaccination status.

As such, **all guests ages 12 years and older**, must provide proof of one of the following:

1. **Proof of completed series of one-dose or two-dose vaccination regimen.**

Please visit www.ncl.com/sail-safe for a full list of accepted vaccines and additional information.

OR

2. **Proof of a negative COVID-19 antigen or NAAT test (i.e., PCR)** taken within three days of the embarkation date.

Guests 6 months to 11 years are welcome with no restrictions.

While Norwegian welcomes **unvaccinated guests**, it is the **responsibility of the guest to be aware of any local protocols and/or travel restrictions** in place at the visiting destinations at the time of sailing.

While NCL has relaxed their embarkation requirements, we strongly encourage **all guests to visit:**

www.ncl.com/sail-safe for all vaccination and testing requirements and

www.ncl.com/travel-requirements-by-country for all country specific requirements that may be in place for the destinations you are visiting.

Please remember that awareness and compliance with all travel requirements is the responsibility of the guest. Failure to comply with the requirements listed on the sites noted above will unfortunately result in denial of embarkation.

We encourage you to check these sites often, as regulations change frequently and with very short notice. As government regulations evolve, Norwegian's health and safety protocols will evolve as needed to ensure compliance.
