## ASWAN, EGYPT

### Philae Temple

Built during the reign of Ptolemy II (Egypt's Greco-Roman Period), the Temple of Isis at Philae is dedicated to Isis, Osiris, and Horus. The temple walls contain scenes from Egyptian mythology of Isis bringing Osiris back to life, giving birth to Horus, and mummifying Osiris after his death.

## FAQs & Tips

**CIA – A tip from seasoned cruisers.** Although your gratuities are included, a little extra “Cash In Advance” (\$10-\$15) offered to your cabin steward goes a long way towards ensuring not just great, but exceptional service. Feel free to ask your cabin attendant for just about anything and they will do their very best to accommodate you. If there is anything our team, or the crew onboard the MS Farah can do to make it more enjoyable, just ask.
