## ASWAN, EGYPT

### Abu Simbel

Abu Simbel Temple, south of Aswan along Lake Nasser's shore is the most famous in all of Egypt after the Giza Pyramids. Built by the greatest of the Pharaohs, Ramesses II, which made it also known as the Temple of Ramses II or Ramesses II, these huge rock-cut temples marked the southern boundary of the Egyptian Empire with Nubia at the peak of its power during the New Kingdom.

The four statues guarding the doorway to the larger of these temples are the largest sculptures that survived from the ancient Pharaonic era.

### Today's Highlights

Today we will go by charter flight to Abu Simbel to experience the incredible temple. This afternoon, join the guides for optional spice and cotton shopping.
