**If you love music, dancing and all things Spanish,
then, this is the event for you!**

The Seville April Fair, also known as the **Feria de Abril** is an annual event that takes place in the beautiful city of Seville, Spain. It is a celebration of the *Andalusian* culture featuring a wide range of activities and events. A true feast for the senses, it highlights the best of what the region has to offer – from the traditional *Flamenco* to the Spanish bullfighting.

Casetas

Casetas

The event centres around the **Real de la Feria**, the gigantic fairground just outside the city centre in the Los Remedios neighbourhood. Over 1,000 *casetas*, hospitality tents, are erected by local businesses, notable families, clubs and political parties. Most require an invitation to enter but there are some Casetas that are open to all. The casetas are traditionally **green** and **red** striped canvas with more elaborate decorations applied by the host.

Each of the six districts of Seville host a '*free*' casetas and there is one especially for tourists. Many of the hotels and the tourist information office are supplied with invitations to this caseta. You can expect a bar, music, entertainment and lots of traditional food. The ladies dress in traditional flamenco dresses whilst the gentlemen wear the traditional short jacket and broad brimmed hat.
